### 5. I HAD A LITTLE TODDLER

*(I Had A Little Turtle)*

I had a little toddler  
Her name was Milly May  
I put her on a scooter  
And then she rode away  
She sped along the bike path  
I worried she'd be gone  
So I went chasing after her  
But she kept riding on.  
Milly, Milly, Milly, STOP!

**8. E-I-E-I-O!**

*(Old Macdonald)*

Cycling children love their bikes  
E-I-E-I-O  
And on those bikes they have some bells  
E-I-E-I-O  
With a ding ding here  
And a ding ding there  
Here a ding, there a ding  
Everywhere a ding ding  
Cycling children love their bikes  
E-I-E-I-O

...they have some lights...with a flash flash  
here...

...they have some pedals...with a push push  
here...

...they have some brakes...with a squeak  
squeak here....

...they have some wheels...with a turn turn  
here...

**9. RIDER, RIDER, HAVE YOU ANY LIGHTS**

*(Baa Baa Black Sheep)*

Rider, rider, have you any lights?  
Yes sir, yes sir, nice and bright  
One for the front and one for the back  
And one for the top of my reflective backpack.

**10. NEITHER SLOW NOR FAST**

*(The Grand Old Duke Of York)*

Oh we ride on down the road  
We've found the best bike lane  
We ride on up to the top of the hill  
Then we roll straight down again  
And when we ride up we go slow  
And when we roll down we go fast  
And when we just ride along the street  
We go neither slow nor fast

**11. ITSY BITSY RIDER**

*(Incy Wincy Spider)*

Itsy bitsy rider scooted down the street  
Thump! Went the bike when it tangled with  
her feet.  
Daddy helped the rider to rub away the pain  
So itsy bitsy rider got on the bike again.

Itsy bitsy rider cycled down the hill  
Went a bit too fast and took a mighty spill  
Mummy kissed the rider and picked her up  
and so  
Brave itsy bitsy rider had another go.

**12. RING MY BELL**

*(Jingle Bells)*

Ring my bell, ring my bell  
Riding all the way

With Kidical Mass today (Hey!)  
Ring my bell, ring my bell  
Riding all the way  
Oh what fun it was to ride  
With Kidical Mass today

Riding out in style  
Side by side by side  
People point and smile  
When they see our ride  
All are welcome here  
Our marshals are all stars  
We're riding safely without fear  
We claim the roads as ours!
